Moving into the 21st Century

Our Vision

- create a facility that is a source of pride for the Cascade community
- facilitate access to literature and promote lifelong learning
- create space that is comfortable for everyone
- enhance the streetscape on Front Street
- provide the library the best possible space for the best monetary value
- establish the library as a major cultural/learning center for the Cascade community
- make the facility accessible to more people to promote its use and programs

In order to develop a facility that will best serve the Cascade community, we ask for your input and support. Please direct any comments or contributions to:
